

WISH ENHANCEMENTS

Supporting Make-A-Wish® Mid-Atlantic allows you to have a direct impact on local wish kids and strategically align your company with one of the top charitable brands.

Our gift card drive is a great way to enhance the wish experience while providing a team building and philanthropic activity for your group. Gift cards are exciting ice breaker gifts at the beginning of the wish process that allows wish kids to select exactly what they want our need. You can purchase gift cards or get them donated, but no matter how you collect them your efforts will put smiles on the faces of local wish kids.

Below is a recommended list of gift cards for the kids we serve.

Gift Card Ideas

- Toys 'R' Us
